Dear Mr. Lesar,

I bumped into you in Strands bookstore in N.Y. several weeks ago as you were looking for "6 Seconds in Dallas". I belive I mentioned to you that copies were going for $75.00 and up to $100.00. I have located a copy that is in excellent condition but not as clean as perfect copies that is available for less at $45.00. If you can stand the price just send a check for that amount. It will be available for only 2 weeks as I will be leaving the country.
